3. GETTING THERE

Reaching Kaafu Atoll from Malé: 30-90 min by speedboat; public ferry from about 1.5 hrs.

4. BEFORE YOU GO

These are inhabited Muslim islands. Cover shoulders and knees away from the designated bikini beach, which every tourist island here has. Alcohol is not sold on local islands; some guesthouses run an evening trip to a floating bar. During Ramadan cafés close in daylight hours.

Inhabited islands follow local rules rather than resort rules. Swimwear belongs on the designated tourist beach only, alcohol is not sold, and shops and offices pause for about fifteen minutes at each of the five daily prayers.

Bring cash in small notes. Card acceptance is patchy outside the larger islands, and not every island has an ATM.

5. WHEN TO VISIT

January to April for the calmest crossings

6. AROUND THE ATOLL

This island is part of Kaafu Atoll. The atoll guide covers every inhabited island and every resort island in it, how the ferries run, and what the atoll is known for.

Everything in this guide is bookable with local Maldivian operators.
